THE VOICE OF UTAH'S MINING INDUSTRY SINCE 1915

For over 100 years, the Utah Mining Association has proudly represented an industry that is essential to everyone's lifestyle and standard of living. As the beginning of the supply chain for everything we use and everything we do as a society, the mining industry has a great story to tell, and our association strives to tell that story.

Now, more than ever, we advocate for Utah's mine operations and service partners. We are proud of Utah's record of safe, environmentally friendly mining practices, and we recognize the tremendous economic impact the industry has in Utah and beyond.
