How is Your Financial Outlook?

Focus on what matters most when you plan for your financial future. A CPA can help you develop wealth-building strategies, set financial goals, plan a budget, handle saving and investing and estate planning.

Businesses rely on CPAs to identify profitable new product lines, help secure business viability and provide a variety of other consulting and businesses services.

That's why a CPA — a designation that assures

they are a recognized and trusted professional — is necessary when ensuring your business and financial outlook is bright.

The Utah Association of CPAs supports and challenges members through advocacy, professional education, leadership development, networking and community service to help them succeed in a competitive and changing world.

To find a CPA, visit uacpa.org and search under “CPA Referral Program.”

FOUR GOOD MEN. ONE GREAT COMPANY.

At Transcript Bulletin Publishing we're proud of our deep heritage that began in 1894. With 119 years under our belt, that makes us the oldest continuous business in Tooele County, and one of the oldest in Utah. Transcript Bulletin Publishing has been owned and managed by the same family since 1898. It all began with Publisher James Dunn, a Scottish immigrant. His passion for the written word continued with his son, Alex, and then grandson, Joel. Those three men sparked the company and its newspaper, the *Tooele Transcript Bulletin*, to ultimately grow into a major printing, publishing and design enterprise with over 60 employees today. Now at the publisher helm, great-grandson Scott leads it all into a second century of existence with even greater passion and purpose. Four good men. One great company. Transcript Bulletin Publishing.

FANATICAL CRAFTSMANSHIP
- TO WHICH WE PLEAD GUILTY.**

It shows up in the little things. The very little things. The things that would normally keep you up at night - but no longer will, because we've got them covered. Lock, stock and barrel.

We admit it, we're obsessive. We're fanatics. And darn proud of it, because it makes for a project well done, and a client well pleased. Not to mention "Best of State" Awards three years in a row.

PLANNING A BUSINESS MEETING OR EVENT?

Special Business Events deserve special accommodations. The Joseph Smith Memorial Building, formerly the famed Hotel Utah, "The Grande Dame" of Salt Lake City, continues a century old tradition of unequalled hospitality as we've been doing business for over 100 years. Making the most of a business convention, meeting or presentation means having the facilities, services and tools you need to get the most out of the time you invest. Choose from spacious, well-equipped meeting rooms, excellent dining options and a convenient location in downtown Salt Lake City.

EXPERIENCE THE NEW STANDARD FOR STEAKS.

“When it comes to steak in Salt Lake,
Spencer’s is in a league of its own.”

—City Weekly

Only the best will do at Spencer’s. That’s why you’ll find only USDA Prime Beef on our plates and Salt Lake’s most prestigious dining awards on our walls. In fact, we’re the only establishment in Utah where you’ll find cuisine, service and atmosphere of this quality. So, for the top of the line in steaks and chops, there’s nothing quite like Spencer’s in Salt Lake. Or anywhere else for that matter.

CRUISE & TRAVEL MASTERS

**We will custom tailor your trip
to perfectly match your
individual needs and desires.**

“Why do I still like agents? A competent travel adviser can be your greatest asset when you’re planning a trip. Good travel agents have an edge over almost any other seller of travel. They know what you want. They speak your language. And they’re there for you when you run into trouble.” Christopher Elliott, ombudsman, National Geographic Traveler magazine.
